Why consent:

Children and youth under 18 years of age have the right to borrow, if a parent or a guardian fills out and signs this consent form. Children under 14 years of age must use the library's plastic card. Children between 14 and 18 years old use their health insurance card. Return the signed consent form at the library, and we will register the child as a borrower.

Please notice that as a parent/guardian you will be held liable for any fees or replacement of missing/damaged borrowed materials on behalf of the child.

Receive a Mail or SMS:

If your child states a mail address or mobile number, we will send reminders and recalls on borrowed materials by mail or SMS. If the materials are not returned, we will send an invoice.

We recommend that children under the age of 18 are registered with a parents e-mail or mobile phone number. It is your responsibility to inform the library if you change your home address, mail address or mobile phone number.

Replacement costs:

Because we pay copyrights, the library pays a high price for movies, computer games and games for different game consoles. The price we pay is also the price you must pay, if a material needs replacing. The average price is kr. 800 per game or movie.
